3. In general, the Sub-Regional Directors may adopt a rule on any entity of the Region except the Chamber of Delegates and such entities must gain the approval of the Sub-Regional Directors before it can adopt its own rule. Nevertheless, rules passed by an entity of the Region that are internal in nature, that deal with administrative or procedural practices that do not adversely affect or burden the affiliated Chapters or Members of the Region, do not need to gain the approval of the Sub-Regional Directors.

**SECTION 3 – COMMITTEES**

- A. All committees of the Region shall be subject to the authority of the Chamber of Delegates and, in the interim between the meetings of the Chamber of Delegates, the Sub-Regional Directors. As such, all committees shall submit their findings, reports, and recommendations to the Chamber of Delegates and the Sub-Regional Directors. Special meetings may be called at any time, notwithstanding the timing rules for regular meetings.
  2. All members of a respective committee have a duty to attend all scheduled Committee meetings; however, if a member is unable to attend a Committee meeting, that member shall inform the Chair of the committee, in writing, of his inability to attend at least twenty-four (24) hours before the scheduled meeting. Any other rules concerning Committee meetings, such as defining the requisite number of meetings and the location of such meetings, shall be prescribed in a rule adopted by the Sub-Regional Directors.

4. A quorum of a Committee shall consist of five (5) members or, if the committee is composed of eleven (11) or more members, a simple majority of committee members.
5. Minutes from the Committee meeting shall be distributed or made available to the Regional Executive Board no later than fourteen (14) calendar days after the committee meeting and to the Active Members and Chapters of the Region no later than thirty (30) calendar days following the committee meeting or all actions adopted at the meeting shall be null and void until the minutes are actually distributed or made available to the Active Members and Chapters of the Region.

In order to maintain their impartiality, all members of the Tribunal shall not make a motion, participate in debate, or vote on any question that comes before the Chamber of Delegates, except in the case of a ballot vote.

- A. The rule prescribed in this Section shall not necessarily preclude a member of the Tribunal from serving as a Chair of a Regional Committee or as Division Chief of a Division of the Regional Board. If the member of the Tribunal serves as the presiding officer of a committee or division and that committee or division has a proposal before the Chamber of Delegates, the member will have to assign the duty of presenting and debating the proposal that will be discussed in the Chamber of Delegates to another member of the committee or division.
- B. The Chamber of Delegates may permit a member of the Tribunal to make informational, neutral comments in debate by adopting an appropriate standing rule for the convention or, on a case-by-case basis, by the adoption of a two-thirds (2/3) vote in the plenary session.

- B. The Tribunal shall serve as an appellate entity to the decisions and interpretations of the Parliamentarian.
- C. The Tribunal may, at its own discretion, set up temporary commissions to investigate alleged infringement or maladministration in the implementation of the governing documents of the Region and in regard to general principles of fiduciary responsibility to officers, staff, assistants, and representatives of the Region and the ranking officers of an affiliated Chapter of the Region.
  1. Such a commission shall cease to exist on the submission of its report to the Tribunal.
  2. The detailed rules governing the exercise of this right shall be determined by the Tribunal, subject to the review of the Chamber of Delegates.
- D. The Tribunal may participate in the process leading up to the adoption of legislation, policies, and procedures by giving recommendations on the legality of such legislation, policies, and procedures to the parties proposing such measures.

- F. The Tribunal shall adopt its own Rules of Procedure, which shall require the unanimous approval of the Tribunal. Nevertheless, the Chamber of Delegates may adopt procedural or substitutive rules on the Tribunal as legislative entities; however, these legislative entities should show deference to the findings and opinions of the members of the Tribunal.

- G. Unless the Tribunal provides otherwise in its rules of procedure, the Tribunal shall be empowered to initiate judicial proceedings against all parties with standing at its own discretion.

### **SECTION 5 – REMEDIES**

- A. The Tribunal shall be limited to offering the following remedies to cases that come before it:
1. Issue binding declaratory or non-binding preliminary opinions on the interpretation of provisions in the governing documents of the Region;
  2. Prescribe any interim measures, including injunctions, as needed;
  3. Recommend a vote of no confidence or the removal of an officer, staff, assistant, or Representative to the appropriate appointing or electing authority in the Region or in an affiliated Chapter of the Region;
  4. Relieve an officer of part of his or her duties to the extent that such a relief will not dispose the officer of a duty that is so central to his position, if so, the appropriate remedy would be to recommend removal of the officer;
  5. Require bonding of an officer or staff on the Regional, Sub-Regional, or local level;
  6. Authorize or waive forfeitures against affiliated Chapters of the Region;

  12. Require parties to first engage in an alternative dispute resolution method before hearing a case.
  13. Preclude the party at fault from utilizing any service provided by the Region. 14. Dismiss the issue.
- B. The above listing is exclusive; however, all other remedies may be prescribed in a governing document of the Region or by motion of the Chamber of Delegates.

### **SECTION 6**

All decisions, interpretations, and any other actions of the Tribunal shall be distributed or made available to the Active Chapters and Members of the Region no later than two (2) calendar weeks after such decisions, interpretations, or actions are made, unless the Tribunal has restricted the availability of such material out of respect for the personal nature of the decision. Such a restriction should be used in only the most extreme and sensitive of cases, which shall not

include the removal of an officer, staff, assistant, or Representative from his position or disciplinary procedures.

## **SECTION 7**

For the purposes of this Article, any action by the officers of an affiliated Chapter shall be deemed the actions of the “affiliated Chapter of the Region.”

## **ARTICLE IX – FINANCES**

### **SECTION 1 – BANK ACCOUNTS**

- A. The Region shall have a dual signature bank account that shall require the signature of both the Regional Chair and the Regional Treasurer before any disbursement of funds may be made.

### **SECTION 2 – REPORTING OF FINANCES**

- A. The Regional Treasurer shall distribute or make available to the Active Chapters and Members of the Region a bimonthly report of the financial status of the Region.
- B. The Regional Treasurer may adopt a policy to restrict (1) who the Active Chapters and Members of the Region can distribute the financial report to and (2) how long an Active Chapter or Member may actually possess the financial report. This rule may also be extended to the Report of the Financial State of the Region and its Affiliated Chapters.

### **SECTION 3 – FINANCIAL AUDITS**

- A. Audits of Regional Finances
  - 1. The finances of the Region, excluding the finances of the affiliated Chapters but including the finances of the Sub-Regions, shall be subjected to a professional audit by a professional accountant or auditors hired by the Regional Chair, with the consent of the Regional Executive Board.
  - 2. The professional audit shall be conducted in odd-numbered years, which shall be determined based on the year that the Regional Chair of a given administration is first elected.
  - 3. The scope of the audit should generally be based on the information provided in the Report of the Financial State of the Region and its Affiliated Chapters; however, the Regional Board shall allow the professional accountant or auditor to extend the scope of the audit whenever the professional accountant or auditor deems necessary.
  - 4. The report of the audit by the professional accountant or auditor shall be made available to the Active Members and Chapters of the Region no later than thirty (30) calendar days after the report is given to the Regional Board.
  - 5. If Nationals provides a professional audit of its financial records, and these records include the financial records of the Region, the Region shall not be required to conduct a professional audit of its books for that given audit period.
- B. Audits of Chapter Finances

1. The finances of the affiliated Chapters of the Region shall be subject to an internal audit by the Finance Division in odd-numbered years, which shall be determined based on the year that the Regional Chair of a given administration is first elected.
  2. The scope of the audit should generally be based on the information provided in the Report of the Financial State of the Region and its Affiliated Chapters; however, the Finance Division shall be permitted to extend the scope of the audit whenever it deems necessary.
  3. The report of the audit by the Finance Division shall be made available to the Active Members of the Chapter in question no later than thirty (30) calendar days after the report is finished and to the Active Chapters and Members of the Region no later than sixty (60) calendar days after the report is finished.
- C. Any questionable practices or other issues that are “discovered” in the audits may be adjudicated by the Tribunal or in extreme cases the appropriate law enforcement officials.

#### **SECTION 4 – SUMMER RESERVE**

- A. The Region shall designate at least \$2,000 to be set aside for the use of the subsequent administration.
- B. The Reserve shall be placed in a separate bank account from that of the Region and shall be made available to the subsequent administration at the beginning of its term on March 1 of a given year.
- C. The Regional Chair, Regional Treasurer, and the Regional Executive Board shall ensure, to the best of their ability, that no action is taken by the Region to impede this reserve requirement.
- D. The Summer Reserve requirement may be waived, for just cause, by a unanimous vote of the Tribunal. In cases where the Tribunal adjudicates the waiver of this requirement, there shall be no need for the Regional Treasurer, as a member of the Tribunal, to recuse himself from the proceedings.

### **ARTICLE X – VOTING BY EMAIL OR OVER TELEPHONE**

#### **SECTION 1**

The Chamber of Delegates shall not be permitted to vote by email or by conference call. Accordingly, in the cases where proxy votes or absentee ballots are permitted, email or telephonic votes shall not be permitted.

#### **SECTION 2**

Voting by email or by conference call shall be permitted by all other entities of the Region, unless the entity provides otherwise in a special rule. A record shall be produced of all votes taken, and rules concerning the distribution of the record shall be in accordance to the rules on the distribution of minutes for the respective entity as prescribed in this document.

#### **SECTION 3 – SPECIAL GUIDELINES FOR E-MEETINGS**

The following guidelines shall be used in telephonic or video conference calls:

- A. All participants must have access to the necessary equipment for participation in the e-meeting.

- B. All participants must be able to simultaneously hear and/or see to participate during the e-meeting. A member participating in an e-meeting by these means is deemed to be present in person at the meeting.
- C. In addition to the notice requirements prescribed in this document for meetings of an entity of the Region, notice for e-meetings shall also include the agenda and any supporting documentation for business to be conducted at the e-meeting. If notice is via e-mail or fax, participants shall be required to check their messages at specified intervals and respond within a specified time whether or not they are able to attend. The appropriate intervals and time shall be determined by the presiding officer of the entity hosting the e-meeting.
- D. The rules for quorum as prescribed in this document shall be used in e-meetings, and, once established, quorum shall be assumed until the e-meeting is adjourned. Members are deemed present when they respond to the roll call.
- E. The presiding officer of the entity shall call the e-meeting to order at the designated time, and the presiding officer or the recording officer of the entity shall call the roll of attendees.
- F. Participants shall try, as much as possible, to eliminate background noise during the e-meeting.
- G. The presiding officer of the entity shall announce each agenda item in order. An agreed means of seeking and according recognition to speak should be established taking into account the size of the meeting and the technology available. If this is not feasible, the following process may be employed: Each member shall be called upon, by predetermined order, to speak. The member may speak in debate, offer a motion, or pass. After each member has had an opportunity to speak the first time, the presiding officer shall call upon each member to speak further in debate, offer a motion, or pass. By unanimous consent, a third opportunity to speak may be offered. H. All votes on a motion or plan of action shall be by roll call vote.

## **ARTICLE XI – RELATIONSHIP WITH AFFILIATED CHAPTERS**

### **SECTION 1**

The Regional Board shall respect and recognize the sovereignty of the affiliated Chapters of the Region to manage their own internal affairs; however, there may be circumstances where the Regional Board must involve itself into the internal affairs of a Chapter. In such circumstances, the Regional Board shall abide by the following principles:

- A. The Regional Board shall not go beyond what is necessary to achieve the objectives, goals, and principles of the provisions prescribed in the governing documents of the Region, particularly when the action of the Regional Board will infringe on the rights of the affiliated Chapter.
- B. In areas that do not fall within its exclusive powers, the Regional Board may take action only if, and to the extent that, the objectives of the proposed action cannot be sufficiently achieved by the affiliated Chapter and can be better achieved by the Regional Board.

### **SECTION 2**

Any Regional Board action that infringes on the internal affairs of the affiliated Chapter, the

Regional Board shall state the reasons and legal authority (based on a governing document of the Region) upon which such actions are based. Actions shall automatically be deemed illegal if no statement of reasons and legal authority is provided.

### **SECTION 3**

Procedure for Chapter Infringement on Regional Obligations

- A. If the Regional Board considers that an affiliated Chapter has failed to fulfill an obligation under this document, the Board shall deliver a reasoned opinion on the matter after giving the Chapter concerned the opportunity to submit its observations. If the affiliated Chapter does not comply with the opinion within the period laid down by the Regional Board, the Board may bring the matter before the Tribunal.
- B. An affiliated Chapter that considers that another affiliated Chapter has failed to fulfill an obligation under this document may bring the matter before the Tribunal for adjudication. However, before the affiliated Chapter may bring an action against another affiliated Chapter for an alleged infringement of an obligation under this document, it shall first bring the matter before the Regional Board. The Board shall then deliver a reasoned opinion on the matter after each of the affiliated Chapters concerned have been given the opportunity to submit its own case and its observations on the other Chapter's claims.
- C. If the Tribunal finds that an affiliated Chapter has failed to fulfill an obligation under this document, the Chapter shall be required to take the necessary measures to comply with the judgment of the Tribunal.

### **SECTION 4 – CHAPTER RIGHTS FOR WHEN REGION FAILS TO ACT**

- A. Should any entity, officer, or staff of the Region fail to act, or carry out its obligations under the governing documents of the Region, the affiliated Chapters may bring an action before the Tribunal to have the infringement established. However, the action of the affiliated Chapter shall be admissible only if the entity, officer, or staff concerned has first been called upon to act.
- B. An entity, officer, or staff of the Region whose failure to act has been declared contrary to the governing documents of the Region shall be required to take the necessary measures to comply with the judgment of the Tribunal.

### **SECTION 5**

The provisions of this article shall be limited to the Regional Board, its officers, staff, and assistants, and all other executive entities of the Region. This Article shall be a source of persuasive authority on the legislative and judicial entities of the Region.

### **SECTION 6**

The provisions of this Article shall also be extended to the Sub-Regions of the Region.

## **ARTICLE XII. RULES ON FORFEITURES**

### **SECTION 1**

The objective of the forfeiture provision, as prescribed in Article III, Section (5)(D) of this document, is to create a mechanism to gain the increased compliance of affiliated Chapters in implementing their obligations to the Region. Because, by definition, the imposition of a forfeiture contravenes the sovereignty of the affiliated Chapters of the Region, forfeiture is a

remedy of last resort and its imposition on affiliated Chapters shall be narrowly tailored to reflect this principle.

## **SECTION 2 – REQUESTING A FORFEITURE**

- A. The Tribunal shall be the only entity of the Region empowered to assess a forfeiture on an affiliated Chapter. However, the Regional Board and the Sub-Regional Directors, through the Regional Chair and the Regional Vice-Chair respectively, may request the Tribunal to assess a forfeiture on an affiliated Chapter. The Tribunal may assess a forfeiture at its own discretion.
- B. The Request for Forfeiture submitted by the Regional Board shall contain:
  - 1. Name of entity and officers seeking the forfeiture;
  - 2. A detailed description of the circumstances that would justify the forfeiture;
  - 3. Steps taken by the entity, or any of its officers, to resolve the issue short of the forfeiture imposition;
  - 4. Name of the Chapter, including ranking officers, that the forfeiture is sought;
  - 5. Recommended amount of the forfeiture; and
  - 6. Any other information required by the Tribunal.

## **SECTION 3 – NOTICE OF THE REQUEST FOR FORFEITURE**

Within a reasonable time after the receipt of the Request for Forfeiture, the Tribunal shall inform the ranking officers and the general membership of the affiliated Chapter subject to the forfeiture that a Request for Forfeiture has been submitted for adjudication.

## **SECTION 4 – ADJUDICATION OF A REQUEST FOR FORFEITURE**

- A. The Tribunal shall give an affiliated Chapter a specified amount of time to resolve the issue involved in the Request for Forfeiture before adjudicating the matter. If the issue is resolved, then the Tribunal shall dismiss the Request for Forfeiture.
- B. In any adjudication, the Tribunal shall hear testimony or allow the submission of written testimony of the ranking officers of the affiliated Chapter in question.

## **SECTION 5 – ASSESSMENT OF FORFEITURE**

- A. The Tribunal is empowered with the plenary authority to determine the actual amount of the forfeiture up to the limit provided in Article III, Section (5)(D) of this document.
- B. If an affiliated Chapter is subjected to a forfeiture, the forfeiture shall be tied to the Regional Convention registration fees of the affiliated Chapter. Thus, the Chapter must pay the forfeiture in order for any competitor in a mock trial or moot court competition, delegate, or general attendee to be allowed to register for the convention.
- C. The payment of the forfeiture shall derive from the forfeited Chapter's general account or, depending on the funding mechanism of the forfeited Chapter, from the law school of the Chapter, and the would-be competitors, delegates, and general attendees of the Chapter shall not be required to pay the forfeiture directly from their personal finances. Any competitor, delegate, or general attendee forced to pay the forfeiture directly should file a complaint against its affiliated Chapter with the Tribunal.
- D. The Regional Executive Board shall determine how to apportion monies that are received from forfeitures.

## **SECTION 6 – PRESCRIPTION OF FORFEITURE**

- A. Forfeitures are tied to the Regional Convention held during the tenure of office of the administration of the affiliated Chapter. Consequently, forfeitures prescribe at the change

of administrations of the affiliated Chapter, and it does not carry over into the Chapter's subsequent administration.

- B. It shall be permissible for an administration of the Region to seek a forfeiture on both the current and subsequent administration of an affiliated Chapter.

#### **SECTION 7**

All information concerning forfeitures — like the Request for Forfeiture and the decision or dismissal of the Request for Forfeiture — shall be distributed or made available to the ranking officers and general membership of the affiliated Chapter in question no later than fourteen (14) calendar days after the decision or dismissal of the Request of Forfeiture by the Tribunal and to the Active Chapters and Members of the Region no later than thirty (30) calendar days after the decision or dismissal of the Request.

### **ARTICLE XIII – PARLIAMENTARY AUTHORITY**

#### **SECTION 1**

The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern the Region in all cases to which they are applicable and in which they are not consistent with these bylaws and any special rules of order the Region may adopt.

#### **SECTION 2**

Upon their request, the Region shall purchase or provide a copy of the parliamentary authority of the Region to the Parliamentarian and any other presiding officer of an entity of the Region.

### **ARTICLE XIV – AMENDMENT OF BYLAWS**

#### **SECTION 1 – WITH PREVIOUS NOTICE**

- A. This document may be amended by the passage of a two-thirds (2/3) vote of the Chamber of Delegates, if previous notice shall be given to the delegates of the bylaw amendment at least fifteen (15) calendar days prior to the meeting where the amendment will be discussed.
- B. For the purposes of this Article, previous notice shall include a document containing:
  - 1. The proposed amendment, properly worded;
  - 2. The current bylaw provision to be changed;
  - 3. The bylaw provision as it will be read if the amendment is adopted;
  - 4. The names of the proposer of the amendment; and
  - 5. The rationale by the proposer for offering the amendment.
- C. This Section shall not be construed to preclude the amending of a proposed amendment to these bylaws at a meeting of the Chamber of Delegates. Nevertheless, an amendment to a proposed amendment to these bylaws must fall within the scope of the notice.
- D. If notice is to be given by mail, the Region shall be responsible for paying the cost of sending out such notice.

#### **SECTION 2 – WITHOUT PREVIOUS NOTICE**

- A. When previous notice is not given, this document shall only be amended at a meeting of the Chamber of Delegates by vote of a simple majority of the entire delegates of the Region.

- B. The total number of delegates needed for the simple majority vote prescribed in Subsection A shall include the maximum number of delegates that an Active Chapter not in attendance at the meeting is entitled to.

### **SECTION 3 – VOTING METHODS FOR AMENDMENTS**

- A. Absentee votes (ballots) shall be allowed by Active Chapters not in attendance at the meeting of the Chamber of Delegates in the case of amendments to this document. B. Proxy votes shall not be allowed in the case of amendments to this document.

### **SECTION 4**

After the initial passage of this document by the Chamber of Delegates, all subsequent amendments shall contain the date that a provision was added and, in cases where a provision is repealed, an Addendum to this document listing the date and reasons for the repeal of the provision.

## **ARTICLE XV – SUBORDINATE GOVERNING DOCUMENT**

### **SECTION 1**

The Chamber of Delegates and, in the interim, the Sub-Regional Directors shall be empowered to create supplementary rules for the Region, in a subordinate document to this document called the standing Rules of the Region, whose provisions may be amended or temporarily suspended by the Directors or the Chamber of Delegates.
